Ashraf Sarwar

MERN Stack Developer

+92 317 0695349 | ashrafsarwar542@gmail.com | LinkedIn | GitHub | Portfolio | Sadiq Abad, Punjab, Pakistan

MERN stack developer with 2 years of practical frontend expertise and 1 year of backend development experience, specializing in scalable and responsive web applications. Currently pursuing a BSCS (6th semester) at UET Taxila while delivering real-time solutions for active client projects. Eager to contribute technical proficiency and a results-driven mindset to innovative development teams.

ACADEMICS

Bachelor of Science in Computer Science
University of Engineering and Technology (UET), Taxila

2022 – Present | CGPA: 3.50 / 4.00

SKILLS

Frontend Technologies: React.js, Next.js, Tailwindcss, HTML5, CSS3, JavaScript (ES6+)

Backend Technologies: Node.js, Express.js, SQL (e.g., PostgreSQL), NoSQL (e.g., MongoDB)

Version Control: Git, GitHub

Other Technologies: React Native, Stripe Payment Integration

EXPERIENCE

Freelance Mern Stack Developer | Fiverr | August 2024 – Present

• Working on MERN stack projects, handling both front-end and back-end development.

• Involved in full-cycle development, from planning to delivering high-quality solutions.

• Currently developing an AI-based gym trainer to enhance user experience and fitness tracking.

PROJECTS

Student Management Dashboard – Role-Based System (Frontend)

• Built a role-based dashboard system for Super Admin, Admin, and Students.

• Super Admin manages admins, Admin handles tests and registrations, and Students track progress. [Visit here]

AI-Based Platform Integration (Frontend only)

Developed the frontend for an AI platform integrating ChatGPT & DeepSeek R1, featuring smart generators, Excel prediction, and file transformation with dynamic dashboards and rich UI/UX. [Visit here]

Full-Stack E-Commerce Platform

Built a full-featured e-commerce platform with Stripe, role-based access, product management, advanced filtering, and responsive UI—optimized for performance and cloud deployment. [Visit here]

Hospital Management System (Frontend Only)

Built a full-featured client and admin interface.

• **Client:** Browse departments, view doctor profiles, and book appointments. [Visit here]

• **Admin:** Manage staff, inventory, doctor leave, and daily operations. [Visit here]

HookBank Landing Page

Designed a financial landing page highlighting key services, with integrated testimonials, trust signals, and live stats to boost engagement. [Visit here]

LEADERSHIP & COMMUNITY INVOLVEMENT

President – Rashid Cheema Health & Blood Donor's Society (RCHBDS), UET Taxila | 2025 – 2026 (Appointed)
Leading a nonprofit focused on blood donations and health awareness through donor coordination, drives, and wellness events.

Chapter Head – Karwaan-e-Iqbal, UET Taxila | 2024 – Present
Directed chapter operations and led welfare initiatives like Iftar and ration drives for underserved communities.

Director of Documentation – Serve Humanity, UET Taxila | 2023 – 2025
Oversaw official documentation, internal reporting, and communication for various humanitarian campaigns and student-led welfare drives.
